

IMPORTANT NOTICE

USE OF FACE MASKS

This is to inform the Zuni community that the Zuni Incident Command ***has not*** lifted the face mask mandate. All Zuni community members and visitors **MUST** continue to wear a face mask when out in public (indoors and outdoors). This safety measure is to ensure that we continue to mitigate the spread of COVID-19 for the continued health and safety of all Zuni community members; especially those who are at higher risk. We appreciate your cooperation.

Statement from Governor Grisham's Immediate Release issued on May 14, 2021:

“New Mexicans are encouraged to continue adhering to COVID-safe practices. All individuals, including those who are fully vaccinated, should continue to wear well-fitted masks where **required by** localities, **tribal entities**, and individual businesses.”
