

2021 "IN THE DITCH" A VOLUNTEER SUCCESS

30 landowners converged at the Fire Station/Mailbox area on Sat. June 26th to pick up their road assignments. All Timberlake sideroads were covered along with the main road from Hwy 53 to the Box S and both sides of Ramah Lake. Special thanks to Andy Wilson and Cheri Sanders who drove the Fire vehicles and communicated with incoming and outgoing traffic which helped immensely increase the safety for Volunteers on the main road. THANK YOU - Rick/Pam Antosh, Shirl Henderson, Tom Abbott, Bill Kangas, Melissa Lane, Ron Schali, Judy Murphy, Lori/Mike Hanson, Shawn McSpadden, Sharon Axtell, Jay Richter, Dawn Lashley, Steve/Barb Stevens, Rick/Julie Farrell, Steve/Nancy Wills, Andy/Dianna Ramm, Wade/Melinda Aubuchon, Danny Montoya/Linda Pedersen, John Hardison, Randall Palmer, Dale Reese and Charlie Haverstick. Also, appreciation to Johanna Cooper in cleaning the east side of main arroyo in CCT and Steve Railsback & Family for their pre-cleaning from the Box S to Hwy 53 last month before the Annual Meeting.

The scars that diminished the beauty of Timberlake are gone for now and Sunday the rain came.
